

Diploma in Fashion**Design**

Craft a piece of art that people breathe their lives in!

Fashion, styles, trends and appearance aid individuals to smartly present themselves to the world, get employed, amaze their spouses, stand out in the cohorts and eventually feel great about themselves...!! From gym wear to haute couture, casuals to business formals someone somewhere on the global platform had a vision, designed it and brought it into reality. Thanks to the enhanced wakefulness and convenience of access to international brands, the fashion industry is striking gold.
